

Utrecht, June 2005

Welcome dear volleyball players and friends!

On behalf of the volleyball organization of Vlerk I would like to welcome you in Utrecht for the 10th (!) EuroGames. We gladly welcome all 600 volleyball players.

Volleyball is organized by Vlerk, the gay volleyball club of Utrecht. Vlerk also had its 10 year anniversary last February. This can't be a coincidence....

Over the years Vlerk has become a regular guest at tournaments all over the world. By organizing volleyball at the EuroGames 2005 we try to contribute to the gay sport in general. We also try to reimburse all organizers of previous tournaments for all the fun and good times we had at all of their tournaments.

The organization will do its utmost to make the Games a success. If you have any questions or uncertainties, please don't hesitate to contact the tournament directors at the venues.

In this booklet you will find all information about the volleyball: the two venues, how to get there, the schedules and facilities.

I hope you all will enjoy the Games.

Not only the opportunity to play and win, but also to make new friends!

With sporty regards,

Erwin Moll

Chair

## **1. TOURNAMENT MODE**

Teams play in groups of 3, 4, 5, or 6 teams. Each group has different modes. The schedules are listed in the back of this booklet for each group.

### Ranking

On Friday teams of one group will play against each other (preliminary rounds). On Saturday teams will play for final ranking. The Saturday schedule is based on the results of Friday.

Friday: Teams are ranked on the number of sets won. If teams in one group have the same set score, ranking will be determined by following rules in order of priority: 1) balance of scored points, 2) number of scored points, 3) toss.

Saturday: If teams play for elimination, and each team wins a set, the winner will be determined by the following rules: 1) balance of scored points, 2) toss.

### General modes

Mode 1: Groups of 3 teams (women level A)

Each match will be played according to the 'best of three' rule. The first two sets are played up to 25 points (maximum of 27 points). If applicable, a third set is played up to 15 points (maximum of 17 points).

Mode 2: Groups of 4 and 5 teams (men levels A & C, women levels B & C)

A match consists of two sets and is played up to 20 points (no 2 points difference necessary).

Total playing time of a match is maximum 35 minutes. For each set won, a team gets 2 points.

Mode 3: Groups of 6 teams (men levels B+ & B)

A match consists of two sets and is played up to 15 points (no 2 points difference necessary).

Total playing time of a match is maximum 25 minutes. For each set won, a team gets 2 points.

### **1.1 Tournament mode women**

#### Level A (mode 1)

Three teams have registered.

Based on Friday's results, Saturday's schedule is determined. The final ranking is based on the results of all matches played on Saturday.

#### Level B (mode 2)

Ten teams have registered.

Friday the teams play in two groups of five.

On Saturday numbers 1 and 2 of both groups play for rank 1-4 (medals). Numbers 3-5 play for rank 5-10.

#### Level C (mode 2)

Four teams have registered.

Based on Friday's results, Saturday's schedule is determined. On Saturday teams play for ranking 1-4.

## **1.2 Tournament mode men**

### Level A (mode 2)

Thirteen teams have registered. On Friday teams play in one group of five and two groups of four.

On Saturday numbers 1-3 of the five group and numbers 1-2 of the four groups together with the best number three of the four groups enter the final round (for rank 1-8). The best number three will be determined on basis of highest number of set points on Friday. If that is equal, then 1) balance of scored points, 2) number of scored points, 3) toss will decide which team will enter the final round (rank 1-8).

All other teams play for rank 9-13.

### Level B+ (mode 3)

Twelve teams have registered. On Friday teams play in two groups of six.

On Saturday numbers 1-2 of both groups play for rank 1-4 (medals). Numbers 3-4 play for rank 5-8 and numbers 5-6 play for rank 9-12.

### Level B (mode 3)

Twenty four teams have registered. On Friday teams play in four groups of six.

On Saturday, numbers 1-2 of each group enter the final round. All group number three, four, five, and six play on Saturday for rank 9-12, 13-16, 17-20, and 21-24 respectively [please watch closely at which venue you have to play].

### Level C (mode 2)

Twenty teams have registered. On Friday teams play in four groups of five [in OSG].

On Saturday numbers 1-2 of each group enter the final round [in Olympos]. All group number three, four, and five play on Saturday for rank 9-12, 13-16, and 17-20 respectively [OSG].

### **3. RULES**

#### **3.1 General**

##### Team captains

Every team designates a team captain. Apart from their responsibilities during the matches team captains also take on all communication with the tournament directors.

##### Numbers of players in a team

A team has to consist of at least six players. If for any reason a team can not provide six players for a match, it may borrow up to two players from other participating teams from the same (or lower) level. This has to be reported and approved by the tournament directors at least 5 minutes before the start of the match and must be communicated to the opponent's team captain.

##### Outfit

All players have to wear numbered shirts.

Only sport shoes with light-colored soles which do not leave marks on the playing floors will be permitted in the sports hall.

##### Start of a match

Matches are to start at the scheduled times. If a team is not present or complete after 5 minutes it loses the first set. After 10 minutes, it loses the match. Teams listed first have service in the first set.

##### End of a match

A match has ended when the number of sets are played or ends when the time is over, whatever comes first and according to the mode of playing. If a match ends because of time, it comes to an immediate end at the sound signal. The rally stops and a double fault is given

##### Referees

Officials are supplied by the participating teams according to the tournament schedule. These have to include first and second referee, two lines (wo)men and a score keeper.

##### Player check

Players have to show their ID cards if asked for by the tournament directors.

##### Score forms

The referee has to collect the score form at the tournament desk in the hall. Immediately after the match the referee returns the score form (completed and signed by both team captains) at the same desk.

#### **3.2 Volleyball**

All matches are played according to the international volleyball rules (FIVB), with some exceptions:

##### Intervals between sets

As we play on time, there are no intervals between sets. After the change of court play resumes immediately (except for the women's level A and the finals).

### Timeouts

Only in the first set one timeout of 30 seconds maximum per team is allowed (except for the women's level A and the finals).

### Number of players on the field

If a team consists of only six players and a player is injured during the match, as an exception, the team may continue playing with only five players.

### Libero

Libero playing will not be allowed.

### Ultimate authority

In cases of doubt and in all cases which are not regulated by these rules, the tournament directors are the ultimate authority, whose decisions have to be respected.
